

2009 ITE MIDWESTERN DISTRICT ANNUAL CONFERENCE

Kalahari Resort and Convention Center
Wisconsin Dells

June 17-19, 2009

The 2009 Institute of Transportation Engineers (ITE) Midwest District Annual Conference will be held at the Kalahari Resort and Convention Center in Wisconsin Dells on June 17-19, 2009. We are preparing an exciting and diverse technical program to compliment the conference theme "Sustainability...Rethinking our Transportation Future." The conference will include presentations on traffic operations, traffic safety, transportation planning, ITS, transit, neighborhood planning, pedestrian/bicycle facilities, and more. The annual conference gives transportation professionals and students the opportunity to network and exchange information on new ideas, methods, and experiences throughout the industry.

As an opportunity to promote your products, we would like to invite your company to be a vendor at the event. Vendors will have an opportunity to display their products and speak with conference participants throughout the day on Thursday and Friday. Product displays will be located in a room directly adjacent to the presentations to allow conference participants to browse during break times and at the beginning and end of each day. This will be a great opportunity for participants to learn about the products and services you provide that can assist them with their project needs. Don't miss this chance to advertise your company's line in front of many transportation and planning professionals!

The vendor cost for the event is \$500.00 which includes registration for one company representative, one standard 8' table, wireless internet and access to one standard electrical outlet (120v/20amp).

Checks should be made payable to "ITE Wisconsin Midwest District Annual Conference" and mailed to:

Traffic Analysis & Design, Inc.
ATTN: Michael May, Treasurer
N36 W7505 Buchanan Street
Cedarburg, WI 53012

If you require any additional items (see attached for list of available items), please coordinate directly with the Kalahari Resort. Please note these items may incur additional costs.

If you are interested in being a vendor at the event or would like additional information, please contact the undersigned at: (608) 828-8133 or brian.porter@aecom.com. To reserve your spot at this year's conference, please respond by Friday, May 15. Thanks for your help and support of the 2009 ITE Midwest District Annual Conference!

Sincerely,

Brian Porter
2009 ITE Midwest District Committee Member
